

INTERNATIONAL FESTIVAL OF ANCIENT OLYMPIA 2024

PROGRAM OF EVENTS

A festival with identity and quality, with a selection of events from all forms of art, performances from ancient Greek drama with performances from modern Greek and world drama, with three children's shows concerts from the field of art music, but also a youth one.

Events created by the Festival for the Full Moon evening with the participation of international musicians, an art exhibition at the entrance of the Archaeological Museum, the hosting of the Sorbonne University Theater Group and the promotion and support of local artistic creation, completing a high-level program, also hold an important place.
